AMENDMENT

Dear Examiner Cottingham:

In response to your Office Action mailed September 24, 2002, please amend the application as follows:

In the Drawings:

Applicant has included a red-lined corrected drawing of Figure 1 which shows step bracket anchor stake 60 attached to an end of the central post member 54, the step bracket anchor stake 60 having an angled step portion 72 and a stake portion 70 insertable into a ground segment by stepping on the angled step portion 72. In addition, red-lined corrected drawings of Figures 6, 7, 7A, 7B, 8, 8A indicate that these figures depict prior art.

In the Specification:

Please replace the original specification with the substitute specification attached. Also attached is a marked-up version of the original specification as required under rule 37 CFR 1.121(b)(3)(iii). Pursuant to rule 1.121(f), the substitute specification contains no new matter.
